RETRO-CHIC REVIVAL

As famous as the celebrities who came to play and immerse themselves in the unparalleled allure of classic Miami, Shelborne Wyndham Grand South Beach revives its vintage-chic legacy of luxury, elegance and impeccable service. Constructed in 1940 and embellished in the 1950s, this Art Deco Miami Moderne gem is restored to its original splendor. Making its debut in Summer 2014, the renovated Shelborne Wyndham Grand South Beach infuses vintage-inspired sophistication into this iconic hotel at Collins Avenue and 18th Street.

destination:

SOUTH BEACH

Situated right in the heart of South Beach's Art Deco District, Shelborne Wyndham Grand's prime oceanfront location affords guests the opportunity to enjoy breathtaking beaches, first-class shopping, vibrant nightlife, delectable dining, and world-renowned art galleries, all within walking distance.

COLLECTIVE

Rising design star Meg Sharpe of Meg Sharpe Interiors masterfully infuses Art Deco details with a playfully modern edge into the hotel's public spaces. Her refined design sensibility and savvy perspective are complemented by esteemed Architectural Digest 100 (AD100) interior designer and author Richard Mishaan of Richard Mishaan Design. Mishaan's luxuriously-redesigned guest rooms, suites, meeting spaces and ballrooms evoke the storied glamour and iconic culture of the 1950s.

Film and TV costume designer Carol Ramsey, who bedecked the stars of *Magic City*, creates stylish and vibrant fashion for the staff, drawing her inspiration from trendsetting mid-century silhouettes.
